***

ORDER:

Government have established the Swachha Andhra Corporation on 1st May, 2015 with a goal to achieve the campaign "Swachh Bharat Mission" launched on 2nd October, 2014 by the Hon'ble Prime Minister of India. Swachha Andhra Corporation has the mandate to fulfill the Mahatma Gandhi's dream of "Swachh Bharat" by eliminating open defecation, eradication of manual scavenging, Solid and Liquid Waste Management, Information, Education and Communication and Capacity Building activities to maintain the cleanliness and hygiene in urban and rural areas of Andhra Pradesh. Swachha Andhra Corporation is taking up the activities of construction of Individual Household Toilets, Community Toilets and Public Toilets. For scientific processing and disposal of Municipal Solid Waste, Waste to Energy Projects, Waste to Compost Projects, C&D waste processing plants are taken up under public private partnership. Steps are also taken to reclaim valuable municipal old dump sites through process of bio-mining. With political will, backed by a dynamic team and massive support from citizens, the Government of Andhra Pradesh is all set to achieve universal access to Sanitation and thereby make the Urban and Rural areas Smart, Clean, Safe and Healthy.

2. To achieve all the above goals, Government have decided to conduct 8th International Conference on Sustainable Waste Management at Acharya Nagarjuna University, Guntur with the objectives of to discuss, exchange of ideas and networking on Waste Management among the participants/experts from nearly 30 countries, to sharing the best practices those are in implantation in different State/Countries and projecting the image of the State in front of international delegates/experts in different areas of success like ease in doing of business, implementation of Swachh Andhra Mission etc.,
